brief
description
of product

moody.

Meet **Moodi**, your personal AI health assistant that tracks your well-being—even when you don't notice. Using cutting-edge facial and voice recognition, Moodi runs seamlessly in the background of your device, monitoring your mental and physical state. With personalized insights and recommendations, it helps you live healthier, happier, and more balanced. Feeling stressed or fatigued? Moodi's here with tips for relaxation, better sleep, or mindfulness, all tailored just for you.
